Subject: Hardship assistance

I am reaching out from the Financial Assistance Department, where I have been assigned to assist with your recent application for hardship assistance. I have reviewed your application and am pleased to inform you that you have been pre-approved for up to \$37,000 in financial support.

Our program is designed to provide unique opportunities to those facing financial difficulties, and I would be honored to assist you in enrolling. To that end, I would like to schedule a call to discuss the details of the program and answer any questions you may have.

If you are available, please call back at: 855.942.3580, Thank You,
